

Areas of Improvement for Session 24-25

- ♦ Continue to develop Talk for Writing approach to raise attainment in writing.
- ♦ Review and revise Social Studies programme including a focus on Sustainability.
- ♦ Further develop our outdoor learning programme.
- ♦ Further develop our Play Approaches in P1-3.
- ♦ Continue to raise attainment in all aspects of literacy and numeracy.
- ♦ Continue to develop our attachment and nurture work across the school as we focus on the health and wellbeing of our pupils.

We will keep you informed of our improvement journey throughout the year. Please give us your comments and ideas when you come along to visit the school.

If you would like to be involved in any of the Improvements we are working on, please contact Ms Gillan at the school who will be delighted to hear from you.

Working in partnership with parents will help our pupils achieve and attain more as we travel on our 'journey to excellence'.

Cairns Primary School School Improvements Standards and Quality Report

This is a summary of our full Standards and Quality report for session 23-24. We hope you find it informative.

As always we encourage our parents/carers to be partners in the learning here at Cairns Primary. Please do not hesitate to contact us if you have any questions, ideas or suggestions.

What is a Standards and Quality Report?

The purpose of the Standards and Quality report is to evaluate the work of the school over the past session. The report is written in June/July and contains information on pupil attendance, assessment and progress. It also reports on our strengths in developing our improvements and our next steps in future developments.

School Improvement Priority– Raising Attendance

Most pupils' attendance at Cairns is consistently high, however we do have some pupils who are not on track with attendance and this ultimately may affect their attainment, wellbeing and relationships with peers.

This session we participated in a learning community project looking at raising attainment in the Cathkin Learning Community. We worked on creating a Learning Community attendance policy to promote consistency across all primary schools. We also worked hard to raise awareness of the importance of attendance both with our pupils and the Cairns Community. Please scan the QR code to read our Cathkin Learning Community Attendance Policy and find out how you can continue to support your child at school.
